

Safer Neighbourhoods Community Partners Meeting

May 2023

On Tuesday 16th May 2023 Long Eaton SNT will be holding a 'Communities talking' event between 5-7pm at Erewash Borough Council offices, Derby Road, Long Eaton.

Parking is free and on site. The event will be signed from the main entrance.

As well as police, our key partners will be in attendance, including

- Derbyshire Fire & Rescue
- East Midlands Homes anti-social behaviour officer
- Erewash Borough Council Neighbourhood wardens
- Erewash Community Safety Partnership.

This is an opportunity for you to visit and discuss any community issues you may be suffering and is intended as a multi-agency platform for you to seek help for any problems affecting you and your local area.

If you are interested in setting up a Community Speed watch scheme or a Neighbourhood Watch, this is a great opportunity to find out what it involves, and we can help you to get the ball rolling.

We will be offering crime prevention advice as well as fire safety referrals. Cycle security marking will also be available through 'Bike Register.'

Current Erewash Priorities:

- Youth related crime and anti-social behaviour in public places
- Working with partner agencies to support vulnerable people in the community at risk of criminality
- Road safety enforcement and education
